

ISCA Membership

Your Benefits

Take full advantage and enjoy various benefits from your belonging to our global community of systemic constellation professionals

Become a part of us, welcome!

By joining the International Systemic Constellations Association (ISCA) you become part of a global community of systemic professionals committed to enhancing the role, visibility, impact and quality of systemic work worldwide and in all aspects of our lives.

About

Founded in 2007 in Cologne, Germany, we grew to become a truly global association with today more than 300 members.

We meet biannually in our ISCA Gathering somewhere in the world.
Like in St. Miguel de Allende, Mexico in April 2021.

And we created some digital formats to regularly meet online.

Our Monthly Member Meetings (MMM)

We monthly invite our members by email to our 90 minutes Member Meetings online on ZOOM. On our monthly subject we share experiences, ideas, insights and knowledge. The meetings are facilitated by the members of the board or by the heads of regional chapters.

Regular English meetings – East and West

We conduct two English language meetings. They are taking place during the last week of the month, except for July and December.

Regular Spanish and French meetings

We also conduct regular monthly meetings in Spanish and in French. They are taking place on the last Thursday of the month, except for July and December.

Romanian, Czech Slovak (etc) meetings

From time to time extra online meetings are organized in further regional languages

Our ISCA Facebook Groups

We hold the space for two thriving online communities on Facebook

The ISCA Members Group

This group is dedicated exclusively to our active members' community. Here we inform about all the activities that we provide exclusively for our members. We also inform about new developments in ISCA and ISCA related areas. Last but not least we provide the recordings of our MMMs.

<https://www.facebook.com/groups/327280714684213>

The ISCA Community Group

This group is dedicated to our wider community of systemic aficionados who are not yet ISCA active members. Here you also have the possibility to inform about your special constellation offers.

<https://www.facebook.com/groups/405383329481349>

Our ISCA Newsletters

We send newsletters with updates and information to all our members via Email.

The monthly newsletter

The monthly newsletter is written by the members of the board. It deals with reflections on specific topics and informs about upcoming Congresses, Incentives and Gatherings around the world. It also introduces the topic of the next monthly meeting.

The Newsletter is provided in 4 languages: English, Spanish, German and French. You also find it on our website in our Newsletter library:

<http://isca-network.org/isca-newsletters>

The irregular newsletter

It deals with current events and actual topics.

By members for members we learn by sharing

Through our initiative STILL TOGETHER we hold the space for a rich experience of exchange and learning by sharing.

ISCA does not organize training activities, yet we are happy to hold the space for our members to share their know-how with our community under the form of free webinars, workshops, meditations, article or e-book sharing and more.

We share the calendar of incoming member offerings regularly at the beginning of each month – via our FB group and via newsletter.

Presenting professionals

On our website, we inform about the ISCA world of constellations – and ISCA constellators.

ISCA constellators can be easily found with their profile on our website.

With our ISCA member logo they can show others that they belong to ISCA.

We are currently working at upgrading our website.

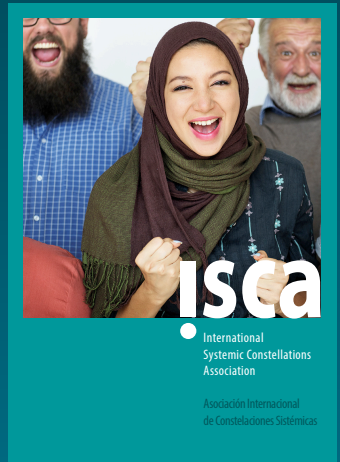

After the relaunch it will reflect the requirements of a professional association in the 21st century.

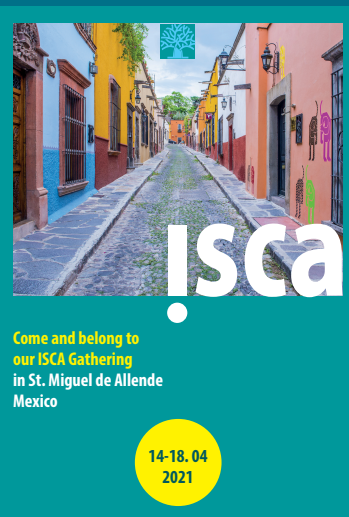

ISCA media

We provide our members with ISCA media – brochures, flyers, incentive programs.

They are mostly done in 4 language versions and come either in digital format or printed.

time	presenter	title	format	area
Saturday 18.04. – Share, learn, harvest, celebrate (afternoon)				
15:00-16:30	Isma

Fondé en 2007

L'Association Internationale des Constellations Systémiques a été fondée en 2007 à Cologne, en Allemagne.

Notre communauté internationale s'engage à:

- être inclusif;
- soutenir l'excellence sans contrôler ses membres;
- être multiculturel et agir de façon interdisciplinaire;
- favoriser la connexion, le dialogue et la diversité;
- offrir une infrastructure qui soutient l'ensemble et l'individu;
- à soutenir le champ;
- être sans but lucratif.

Central et local

L'organisation et l'administration sont garanties par les membres du conseil. Dans les régions, les chefs des chapitres régionaux soutiennent localement. Tout le monde fait partie de notre équipe mondiale.

L'ISCA organise un rassemblement biennal. En 2021, il aura lieu à St. Miguel de Allende, au Mexique. Venez! Participez!

Venez rejoindre notre communauté multiculturelle. Enrichissez-nous de votre façon de constater. Rencontrez des collègues. Apprenez les uns des autres. Offrez et recevez du soutien. Prenez plaisir.

Soyez l'un de nous. Bienvenue!

pour devenir membre

Avec cet formulaire, je demande à être membre régulier de l'ISCA (80 €/an)

Heads of regional chapters

Worldwide, we are represented by the Heads of the Regional Chapters. They act as the linking bridge between community and board. You can contact them directly and confidentially with your concerns.

We are constantly looking for new interested members to support our national, regional and local activities. If you are interested, please get in touch with Alexandra Finkelstein (see last page)

Last but not least: Discounts

Our members enjoy a wide variety of discounts. Please feel free to ask!

Combined memberships

With several international associations we hold a discount agreement for combined membership fees.

With the magazine "The Knowing Field" (TKF) we offer a combined package of ISCA membership plus TKF subscription.

Economic power varies from country to country

For some countries we offer a reduction of membership fee.

Considerably cheaper events

ISCA members get a significant reduction for all ISCA events.

Finally, not to forget us.

We are there to support you and looking forward to get in contact with you!
